Material Uncertainty Related to Going Concern

This event or condition, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

Emphasis of Matters

- a) The Company has received Show Cause Notice No. V/CGST/AXEL/PREV/GRP5/JC/245/2025-26 dated 19.01.2026, issued by the Office of the Commissioner GST, Central Vadodara, on 03.02.2026, pertaining to the financial years 2021-22 to 2024-25. The said notice alleges wrongful availment of Input Tax Credit (ITC) amounting to Rs. 31.57 crores, along with applicable interest and penalties.

Based on management's assessment and legal advice obtained by them, the matter is presently considered as a contingent liability and accordingly, no provision has been made in the accompanying financial statements.

- b) An investigation has been initiated by regulatory authorities against Company pertaining to the ongoing GST matter. Summons were issued to directors & others and statements have been recorded by the SEBI Investigation Officer.
- c) Consequent to the proceedings initiated by the GST department, some of the information gathered by the GST department has been shared with the Income Tax Department. Subsequently, the Investigation Wing of Vadodara Income Tax has carried out investigation against the company, which is ongoing as on date. Hence, the contingent liability that may arise on this account is not quantifiable.
- d) One of the vendor of the Company has initiated legal proceedings u/s 138 of the Negotiable Instruments Act against the Company. The matter is pending before the competent court as per the provisions u/s 138 of CRPC at Tirupati, A.P.

The matter pertains to nine post-dated cheques aggregating to Rs. 18 crore issued by the Company to the vendor as security and not towards discharge of any existing debt or liability. The Company contends that no amount was due and payable at the time of issuance or presentation of the said cheques.

- e) Inventory ageing and obsolete items have been assessed by the management and are being carried at same carrying amount in the financial statements. No provision has been made for obsolete / slow moving inventories. Since exact value of the same is not available with us, we are unable to comment on the impact of the same on the financial statements.
- f) We draw attention to the financial statements regarding the applicability and impact of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the “New Labour Codes”). Management's and Board of Directors' Responsibilities for the Annual Financial Results

This quarterly financial results as well as the yearly financial results have been prepared on the basis of the interim and annual financial statements.

The Management and Company's Board of Directors is responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net loss and other comprehensive income and other financial information of the Company in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Annual Financial Results

that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Annual Financial Results, the Management and Board of Directors of the Company is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Annual Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Annual Financial Results

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of Internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's Internal Control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going

MUKUND & ROHIT

CHARTERED ACCOUNTANTS

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Annual Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Annual Financial Results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Annual Financial Results include the results for the quarter ended March 31, 2026 being the balancing figures between the audited figures in respect of the full financial year March 31, 2026 and the published unaudited year to date figures up to the third quarter of the current financial year which were subjected to limited review by us as required under the listing regulations.

Our opinion is not modified in respect of the above matter.
